BE PART OF THE SOLUTION

We are more than fundraisers. We are the hand raisers. The game changers. No matter the obstacles. No matter the odds. We surround a community's most critical problems - and we fight. United Way of Warren County fights for the health, education and financial stability of every person in our community. Why? Because we know that change begins when we LIVE UNITED, and that building a better tomorrow starts today.

GIVE

Every dollar counts. When you join with many people from all walks of life to make a donation – even a small one – your contribution makes a big difference in the community.

The workplace campaign is the easiest and most powerful way to invest in your community.

- We are 100% local and independent, and are managed by people who live and work in Warren County.
- All donations stay in our local communities helping our friends, neighbors & co-workers.
- Every program we fund goes through a review process to ensure accountability.

LIVE UNITED

People look to United Way for lasting solutions to local problems. We are a vehicle for volunteers, donors and advocates who seek to change lives and communities. United Way of Warren County connects people and companies with the causes that matter to them the most.

- **Local:** Contributions go to work for people living in Warren County. By combining your gift with thousands of others, we can make a difference together that none of us can achieve alone.
- **Comprehensive:** United Way advances the common good by working with many partners to solve complex issues that one single agency cannot do alone.
- **Connected:** United Way recruits people and organizations who bring the same passion, expertise, and resources needed to get things done.
- **Accountable:** Local volunteers and staff determine how United Way resources are used and make sure that positive results are achieved.
- **Powerful:** Contributions to United Way often leverage other resources that help build a stronger community. Every penny is invested into local programs and services that focus on education, financial stability, and health.

WHAT THIS PLACE NEEDS

...IS YOU

United Way of Warren County is dedicated to helping our county be a thriving home for individuals, families and businesses. We currently fund 43 programs through 23 area nonprofit organizations - supporting a variety of educational, temporary emergency assistance and health programs.

While we're still backing these great organizations, we're excited to announce a new strategic direction. United Way of Warren County is taking a leadership role in building strategic partnerships with area businesses and organizations. These partnerships will result in helping more people in need while also making a measurable economic impact.

Our key initiative areas:

- **School Readiness:** Early literacy, mentoring and academic achievement from preschool to eighth grade
- **Financial Stability:** Skills and training to meet the needs of Warren County businesses
- **Health:** Health and wellness promotion to improve health outcomes and build healthier families
